

Pathway to Selling Alcohol Safely is an all-inclusive CD-ROM based training program that teaches your employees the best practices when selling alcoholic beverages for off-premise consumption. Topics include understanding current laws, what happens when a law is violated, recognizing underage customers using false identification and dealing with intoxicated customers.

Supplemental materials include review sheets, and quizzes. This kit was created with funding by USDOT/NHSTA/FHWA in partnership with the Ohio Department of Public Safety and the Governor's Highway Safety office.
