

# WORKPLACE VIOLENCE PREVENTION

Workplace Violence Prevention trains store management to recognize the warning signs of potentially volatile work situations and how to respond properly. Topics include dealing with employee arguments, internal and external threats, and witness reporting. Kit materials include an 18 minute presentation, a trainer's guide, program workbooks, and certificates of completion.

## Our 60 – 90 minute program will help:

- Introduce the basics
- Identify "Red Flags"
- Organize your own response team
- Offer real solutions
