This offer was created for employers, groups and organizations with **ten or more individuals** who want to take advantage of online training discounts. Any combination of requests for ten or more purchases receives a discount.

10 – 19 courses 10% discount

20 – 39 courses 15% discount

40 – 99 courses 20% discount

100+ courses 25% discount

You may prepay by check, have the purchases billed to a single charge card or issue a purchase order and receive an invoice when the process is complete.

Add your information directly into this form, save and e-mail to bulk@learnsomething.com or you may print this form, complete the information and return it with your method of payment indicated or enclosed.

Each employee must have a unique Username which is usually an email address. If your employees do not have email addresses, or you choose not to use personal email accounts as identifiers, you may register employees using their first and last names. The Password does not need to be unique and may be the same for all employees in your location. If you have any questions, please don't hesitate to contact us.
