FAMILY INTERVIEWS

Pretend you have your own TV show and set up family interviews with these two sets of questions: One for parents to ask kids and one for kids to ask parents. You each get a turn to be the host of the show! You might be surprised by what you learn about each other!

Kids, ask your parents these questions:

1. What was your favorite cartoon growing up?

2. What was your favorite sport and why?

3. What was your favorite book when you were a kid?

4. What activity did you enjoy the most with your friends?

5. What was your favorite subject in school?

Parents, ask your kids these questions:

1. Where would you love to go on vacation?

2. Who is your favorite person in school?

3. What is your favorite subject in school?

4. What is your favorite family photo?

5. What new activities are you looking forward to trying this year with our family?
